

# Spring Creek Chapter of Trout Unlimited

Conserving, protecting, and restoring Spring Creek's coldwater fishery and watershed  
[www.springcreektu.org](http://www.springcreektu.org)

Dear Friend,

The Spring Creek Chapter of Trout Unlimited is an all-volunteer conservation organization devoted to water quality and stream health along the 22 miles of Spring Creek. The Spring Creek watershed provides water and recreation to our community and is recognized as a world class "destination" fly-fishing stream.

We've had another busy year between starting projects under our new NFWF grant, over 40 outreach events and our ever-active Veterans Service and Women Anglers Programs. The enclosed information details some of 2019's activities and accomplishments.

Our chapter is extremely active. Volunteers donated thousands of hours to our mission of stream conservation projects, community outreach and youth education last year. We raise all funds needed to complete our mission and would appreciate your help to continue our work.

By becoming a sponsor at our 47<sup>th</sup> Annual Dinner and Fundraiser you can become a part of our conservation effort. Your donation will be used in areas such as streamside riparian plantings, bank stabilization projects, Veterans Service Program, Y-Trout Program, Trout in the Classroom and our Streamside Stewardship Program. Sponsorship levels include Brook Trout - \$500, Brown Trout - \$250 and Rainbow Trout - \$100. The enclosed sponsorship form details the benefits you receive for your tax deductible donation.

We hope you will consider our request. We would also love to see you at our event on March 21<sup>st</sup> at the Mountain View Country Club. Information and reservation forms can be found on our website, [www.springcreektu.org](http://www.springcreektu.org).

Sincerely,

*Jamie SanFilippo*
