Announcing the 2020 SCCTU VSP Winter Fly Fishing Program Classes: *Fly Fishing Tactics for Catching Trout*

This Program will include an introduction to all the aspects of fly fishing, including: the proper fly fishing equipment and setup, flies and hatches on local trout streams, hands-on fly rod casting instruction by fly fishing experts, manners on the stream, and techniques for catching trout in our local streams. There will be separate beginners and intermediate fly tying sections to the classes starting in January and February. All equipment and supplies will be provided for the beginners. Classes are open to all who are interested.

Contact Bob Sills at rasills@earthlink.net
or Jim Lanning at jlanningvsp@gmail.com to register.
