## SPRING CREEK HABITAT PROJECT HELP NEEDED

### Spring Creek Habitat Projects Need Your Help. Art Kempf.

It's time again to work on in-stream habitat improvement projects for Spring Creek. SCCTU has received significant grant monies for projects to be completed during the next 3 years. The project work needs will be similar to last year's efforts at the Sheep Farm. Please consider volunteering your time in late August-early September to support this important work.

The areas are planned for September are:

### PFBC Property above SR550 September 2-5 , 8am - 4:30pm and 5:30pm -Dark

Three large log/rock deflectors will be installed (similar to those at Paradise) and some large rocks will be distributed to enhance habitat. A small amount of large rock placement will also be done near the lower parking area (platform section) of the stream. Volunteers will be needed to support installation of the deflectors and to seed/mulch areas disturbed during the construction . Evening work will primarily focus on seeding/mulching. Lunch and beverages will be provided.

Safety equipment will also be provided as required.

Also, please keep mind that Sept 8-12 has been set aside as a back-up week in case of bad weather or other unforeseen delays. Please try to keep that time available in your schedule..just in case...

Check your calendars, bring a friend.. Call or email Art Kempf to volunteer. Thanks . 814-861-1538, [awkempf@comcast.net](mailto:awkempf@comcast.net)

## **E-MAIL LIST**

As some are aware, the Chapter has the capability to do email notifications of important events, updates, and to provide last minute notifications of changes. Of the 350 Chapter members, only 75 or so members have provided email addresses to receive these updates. We plan to begin the distribution of Tertiary Treatment by email. If you want to be added to the list, just email a request to Bill Brusse at the email address listed on page 3.

## **SCTU BOARD MEETINGS**

Board meetings are held at the Comfort Suites Hotel, 132 Village Drive, State College at 7:30 p.m. on the second Monday following the scheduled Membership Meeting. Chapter members are encouraged to attend the Board meetings. The Board members welcome and would appreciate greater participation from Chapter members. As many of you know, our membership and board meetings are held at the Comfort Suites Hotel. Comfort Suites provides the rooms to us at no charge. We want to thank Karen Mansfield and her staff for their support.

## **VISIT THE SCTU WEB SITE: [springcreektu.org](http://springcreektu.org)**

The Web Site lists membership and board meeting dates; contains the past 5 months of Tertiary Treatment; and provides links to Spring Creek USGS stream flow conditions, weather, and a number of other good information sources.
