MEMBERSHIP MEETING

All membership meetings are at 7:30 PM at the Comfort Suites Inn, just off North Atherton St.

Bring a couple of friends.

September 3 : Video presentation entitled: "The Underwater World of Trout -- Feeding Lies". This is a 60-minute DVD of spectacular underwater filming of trout on a small stream done by Wendell "Ozzie" Ozefovich. Everyone who has seen this recently released video has concluded it is very enlightening; it should improve your fishing as well as educate you.

October 1: Pat Moffitt, "Steelhead Fishing with the Moffitt System -- How to Fish the Moffitt System for Great Lakes Steelhead Including Tips and Techniques". Pat will also describe how to locate overlooked "micro-holding areas" in hard pressured rivers.

SPRING CREEK HABITAT WORK UPDATE

From Cliff Wurster:

"First off, a couple thanks are in order again, for emphasis! Thanks to Greg Boyd's wife for the batches of delicious chocolate chip cookies...a welcome taste treat. Second, thanks to the Lock Have TU and "j" River Association for the volunteers that joined us from their clubs--everyone was great and appreciated. Third, thanks to my mentor, helper and buddy Art Kempf for standing beside me throughout this project's evolution. And thanks to Joe Boston who was responsible for all the leg work in winning this \$200K-plus matching DCNR grant in the first place. Without his dogged persistence and the talented grant writing help of Jason Detar from PA Fish & Boat, we wouldn't be doing this major renovation at the McCoy-Lim Dam site. I don't want to short change Karl Lutz from PFBC and his excellent staff for the technical oversight and patient coordination they provided Katie and me as we collectively built the work plan and secured the necessary consultant, contractor, and materials. Finally, there is always a special "hero" in the background who should receive far more credit for the ultimate success of this

project, and its our administrative coordinator (and many more things that make us look good) Katie Ombalski from ClearWater Conservancy. WOW! What a team."

E-MAIL LIST

As some are aware, the Chapter has the capability to do email notifications of important events, updates, and to provide last minute notifications of changes. Of the 350 Chapter members, only 75 or so members have provided email addresses to receive these updates. We plan to begin the distribution of Tertiary Treatment by email. If you want to be added to the list, just email a request to Bill Brusse at the email address listed on page 3.

SCTU BOARD MEETINGS

Board meetings are held at the Comfort Suites Hotel, 132 Village Drive, State College at 7:30 p.m. on the second Monday following the scheduled Membership Meeting. Chapter members are encouraged to attend the Board meetings. The Board members welcome and would appreciate greater participation from Chapter members. As many of you know, our membership and board meetings are held at the Comfort Suites Hotel. Comfort Suites provides the rooms to us at no charge. We want to thank Karen Mansfield and her staff for their support.

VISIT THE SCTU WEB SITE: springcreektu.org

The Web Site lists membership and board meeting dates; contains the past 5 months of Tertiary Treatment; and provides links to Spring Creek USGS stream flow conditions, weather, and a number of other good information sources.
